ABOUT IPC2023

IPC2023 (The 3rd International Plantation Conference) is a conference on Plantation, Commodities, and Agricultural Management which is co-organised by the Faculty of Plantation and Agrotechnology, Universiti Teknologi MARA (FPA-UiTM) and WMIT Group Sdn Bhd (WMIT). With the theme "High Performance of Plantation and Commodity Industry: Forging Ahead", IPC2023 will gather Plantation and Agricultural Management experts from Malaysia and around the world as a platform for exchange of ideas, networking and engaging in lively discussions on emerging topics of interest in the areas of Plantation and Agricultural Management. Since the Covid-19 pandemic is far from over, the IPC2023 will be in hybrid mode so that participants can choose to attend the conference in person or virtually.

OBJECTIVES

- To establish an experience and knowledge-sharing platform to drive the plantation management growth for the nation and global
- To establish the 'new normal' for the plantation and agricultural Industry considering the COVID-19 pandemic
- To explore plantation and agricultural innovative technology and business sophistication in the area of Digitalisation and Industrial Revolution 4.0
- To incorporate sustainability in plantation management
- To explore new opportunities in the plantation and agricultural industry globally
- To provide platform for the plantation and agricultural related organisations to exhibit their products, innovations, and services

WHO SHOULD ATTEND?

- Plantation Practitioners
- Agriculturists
- Biotechnologists
- Economists
- Researchers
- Enthusiasts
- Academicians
- Graduate Students
