Workshop in discussion

- This workshop aims to enhance students understanding on requirements of ACC106 group assignment questions.
- In addition, lecturers will give guidance and tips for earning high marks for preparing the assignment.
- The most important objective in organising this workshop is to enable lecturers to control the rate of plagiarism among students.
- This workshop is also seen as an effort to improve the quality and achievement of students by producing quality graduates.

Participants were divided into several small groups in preparing assignment ACC106
