

All the committee and participate that attend the programs.

07 DEISEMBER 18 ANNUAL GENERAL MEETING MYAGROSIS

The program aims to introduce more about the MyAgrosis club and provide opportunities for UiTM students to know the club's development in 2018. This program also opens up opportunities for students who are keen to join and engage in club organizations. This program also opens the eyes and minds of students on the advantages and benefits of joining MyAgrosis club. The club can provide and prepares students to sharpen their talent in terms of a variety of excellent skills for future work.

The president presenting and explaining the profile of the club to the audience.

OBJECTIVES

Introducing the MyAgrosis club to the new UiTM student of Jasin Campus.

Open a place for UiTM students who are keen to become new members in the club.

Carry out the appointment of a new committee for the 2019 session.
