TAKE CHARGE YOURSELF BE BETTER YOU

27th APRIL 2019

AUDITORIUM MELAKA CAMPUS JASIN

SATURDAY

Take Charge Yourself Be Better You is programmed organized by Planters Executive to student part 1 Diploma Plantation and Agrotechnology.

The program was held at Auditorium UiTM Melaka Jasin Campus with participations of 51 students of part 1, lectures, and Planters Executive from Faculty Plantation and Agrotechnology.

The program was officiated by Associate Professor Dr Asmah Awal, Dean of Faculty Plantation and Agrotechnology UiTM Melaka

Associate Professor Dr Asmah Awal was officiated the program

This program is to educate the students about the needed to have a goals and to develop critical minds.

The students also need to change the mind in terms of planning, program strategies and implementation mechanism in addressing major issues of learning.

Therefore the students are not only need to be great in physical and academic, but also need be strong in term of emotion, mental enhancement and good manners.

OBJECTIVES :

- ◆ To change student's mind from "good to great" and produce a student with a gold mind.
- ◆ To ensure the students have the direction and goals that they want to achieve when them were in an education.
- ◆ To build the personality in students especially in their soft skill.
- ◆ To guide the students to arrange the time in good management.

They were student part 1 of Faculty Plantation and Agrotechnology
