FACULTY OF PLANTATION AND AGROTEKNOLOGI

Venue : Universiti Teknologi MARA, Shah Alam
Date : 13th March 2019

date : 13th March 2019

A delegation from the University of Arkansas, USA (UoA) recently visited the Faculty of Plantation and Agrotechnology (FPA) to explore how both universities could closely work together in the future.

The group from UoA, led by the Associate Dean for International Education, **Prof Dr Curt Rom**, together with **Prof Dr Peter Ungar** (Distinguished Professor for Environmental Dynamics Program or ENDY) and **Dr Karl Anderson** (International Director for International Recruitment) met with **Prof Dr Mohd Nazip Suratman**, **Deputy Vice Chancellor (Research & Innovation)** and FPA academic staff on **March 13th, 2019** to discuss future collaborations across interdisciplinary programs.

The topics discussed included potential collaboration in research, student exchange or mobility, dual degree program and other academic activities.
